*Guide:* Parin Patel

(JUL,2020 –  
SEP,2020)  
Team Size -4

## PROJECTS

---

### AANCHAL FASHION DESIGN

It is E-commerce website for AANCHAL FASHION STUDIO which contains features like online shopping and stock management . We have used ANGULAR CLI for building website and used NODEJS as backend and WAMP MYSQL for database server. Here is the link of the GitHub repository:- [https://github.com/helly13/Aanchal\\_user](https://github.com/helly13/Aanchal_user)  
*Guide: Prof.Dr Kalyani Patel*

(JUN,2018 -  
APR,2019)  
Team Size - 3

### Student Database Management System

We developed a small software in VB.net which provides functionalities like managing student's profile ,attendance and Result .  
*Guide: Prof. Dipti Bhatt*

(JAN,2018 –  
APR,2018)  
Team Size - 4

### Arham Institute Management System

Our system is for private institute called Arham Education. Our main objective is to reduce the manual work. There are mainly 4 actors Admin, Students, Faculty, Tutor where admin is allowed to manage Faculty and there salary and student's batch, fees, attendance and subject , Can also Post Announcement and can generate Question paper in 2 ways automatic and manual. Faculty can also generate Question paper and manage attendance .It is developed using Angular as Frontend and NodeJs as Backend and MySql as Database. Here is the link of the GitHub repository:- [https://github.com/raj2399/Arham\\_Education\\_student\\_Master](https://github.com/raj2399/Arham_Education_student_Master)  
*Guide: Prof. Asim Banerjee*

(JAN,2020 -  
JUN,2020)  
Team Size-10

### Real-estate Database management system

Real estate management -system is advance solution for his/her property related problem. This database system covers all functionality related to tenancy management , selling & buying properties. The System helps customer for find desirable properties according to their convenience and seller add his/her properties to this system and sell it online. The system user can buy, sell, rent his/her properties  
*Guide: Prof.Amit Mankodi*

(JUL,2019 -  
DEC,2019)  
Team Size - 4

### Aarambh Dance Academy's Website

We have designed a static website using HTML , CSS and basic JS . It provides information about dance academy's choreographers , batches and events.

*Guide: Prof Nirali Kanaiya*

(JAN,2018 -  
APR,2018)  
Team Size - 3

## INTERESTS AND HOBBIES
