

Jayesh Jansari

Senior User Interface Designer

Proactive and detailed UI/UX Designer with 8+ years of proven end-to-end experience delivering enjoyable web, mobile and marketing collateral design. Clear understanding of technology allows seamless collaboration with developers. And Up-to-date knowledge of Adobe Creative Cloud Photoshop CC, Illustrator CC, InDesign, After Effects, Premiere Pro, XD, and many more prototyping and wire-framing tools and softwares and basic knowledge of HTML /CSS with Bootstrap Framework.

Skills

I have experience working with teams to brainstorm and whiteboard concepts. I can create wire-frames at varying levels of fidelity, and enjoy prototyping ideas. I have some front-end coding experience, and enjoy working with devs to build ideas out.
