Soft Skills

- Communication
- Time management
- Problem-solving
- Attention to detail
- Teamwork
- Continuous learning

Education Background

- **B.Sc (Computer Science), 2016**

Shri Arihant College (Vikram University)

Ratlam, Madhya Pradesh

Objective

To obtain a challenging IT internship where I can learn further and use my skills to add value to the organization, and to build a strong grasp in all of the core requirements for native & cross-platform app development. Curious about working on some serious real-world projects.

About me

- A team player with humble nature.
- Moderate knowledge to work on Frontend and Backend Development using related tools, frameworks and libraries.
- Astonishing Problem solving skill and Communication skills.
- Curious about UX Design, Artificial Intelligence, Productiveness and new trends.

Development Experience

5+ Animations projects

1 Node.js CRUD Project

20+ javascript Projects

1 MERN Project

- Hands on practice with converting Figma design into a responsive web app.
- Understanding of JavaScript Promises, Events & Loops.
- Knowledge of React Props & State Management.
- Familiar with Debugging, OAuth, JWT, API's, NPM, SDK's like Firebase, CRUD operations with DBMS.

Work Experience

- 4.5+ years of experience in Retail & B2B (Marketing and Sales) (Self Employed)
- Knowledge of Digital Marketing.
- Deep understanding about customer Psychology.
- Knowledge of CRM tools.

Certificates

- **Full Stack Web Development Bootcamp**

Udemy

October, 2022
