PROJECTS

Novus Loyalty Management (11/2022 - Present)

- Innovative cloud-based Loyalty Solutions for Banking, e-commerce, and Retail enable businesses to engage and retain customers with real-time personalized rewards. A loyalty management system that crafts beautiful programs, rewards customers on their purchases via points, fosters referrals, and much more. Drive customer engagement through point-based campaigns that encourage repeat sales and give your customers more reasons to shop from your brand!

Commercial Real Estate Auction Management (02/2022 - 12/2022)

- Marketplace is the leading auction platform for commercial real estate transactions, bringing buyers, sellers and brokers together to efficiently list, market and close deals. The platform allows local, national and global investors the opportunity to quickly review and bid on assets throughout the country.

Online Business Management System (01/2021 - 02/2022)

- E-commerce (electronic commerce) is the buying and selling of goods and services, or the transmitting of funds or data, over an electronic network, primarily the internet. These business transactions occur either as business-to-business (B2B), business-to-consumer (B2C), consumer-to-consumer or consumer-to-business.

Introduction to Project Management (06/2020)

An online non-credit course authorized by Coursera Project Network and offered through Coursera

STRENGTH

I've always preferred to work in groups and find that my collaborative nature is one of my strongest attributes. On projects that I directed, I work well to inspire diverse team members and work side by side with them to achieve the project goals.
