# Praful Karmur

## Software Developer

Ahmedabad - 380015

Highly skilled Frontend Developer with 2 years of experience in web development. Proficient in a wide range of technologies, including ReactJS, Gatsby js, GraphQL, and various frontend frameworks. Strong analytical abilities combined with a quick learning capability, allowing for efficient problem-solving and effective collaboration with cross-functional teams.

## Projects

### ○ Ink Money:

- Collaborated with the backend team to enhance the platform's user experience and visual appeal.
- Integrated Firebase for efficient data management.
- Optimized user engagement through NextJS and styled components, resulting in positive feedback from users and stakeholders.

### ○ Webmob Tech Website:

- Led the development of a webmob site from scratch, utilizing Gatsby.js, Tailwind CSS, and GraphQL.
- Transformed the site into a headless WordPress setup for enhanced functionality and flexibility.
- Demonstrated proficiency in modern web development frameworks and scalable solutions.

### ○ Honeywell:

- Served as a dedicated developer, focusing on modifying existing functionalities.
- Implemented Redux and Redux Saga for efficient data handling and optimal performance.
- Successfully managed data within the state management library, ensuring seamless integration with the AI-based model.

### ○ Social Media App (Training Project):

- Developed a comprehensive social media application from scratch, utilizing UmiJS, Dva JS, SCSS, and Ant Design.
- Employed GraphQL API, Mongoose, Express, Node.js, MongoDB, and JWT for efficient data management, server-side operations, and secure authentication.

## Experience:

### Webmob Tech (6-month training)

- Developed skills in design and full-stack web application development through hands-on experience.

### Webmob Tech (2 years)

- Actively participated in multiple projects, strengthening teamwork and collaboration skills.
- Adapted to new technologies based on project requirements, staying up-to-date with industry trends.

## Skills

- **Frontend Technology:** ReactJS, NextJS, GatsbyJS, GraphQL, HTML, JavaScript, CSS
- **UI Libraries:** Tailwind CSS, Ant Design, SCSS, Styled Components
- **Backend:** Node.js, Headless WordPress, REST API, GraphQL API, Express.js, Express Generator, Mongoose, JWT, MongoDB

## Certifications:

- **Front-End Web UI Frameworks and Tools: Bootstrap 4 (Coursera)**
- **Front-End Web Development with React (Coursera)**
- **Server-side Development with NodeJS, Express, and MongoDB (Coursera)**
