

Sangeetha M

Front-End Engineer | React Developer

Madurai, India
sangiammu1020@gmail.com

EXPERIENCE

Atom Healthcare - Front End Developer

January 2022 - present

- Implemented websites and mobile applications and landing pages from concept through deployment.
- Collaborated with product team members to implement new feature development.

Tools: React, Next.js, Firebase

Cognizant (CTS), Chennai — Senior Process Executive

June 2014 - August 2016

- Worked for CTS US corporation to Evaluate and process the Medical Claims and ERA code.
- I have received appreciation as I have recommended an Automation technique which made the process to earn 10% profit.

Institute Of Language Management Pvt Ltd, Bengaluru — Communicative English Trainer.

May 2013 - May 2014

- I was a trainee in ILM and became a trainer in the schools they tied up with.
- I have taught Communication English, Manners and Etiquettes to the kids in a school.
- I am a team player where we have added a few more schools to the management.

PROJECTS

Next Js TODO — Clone Project

GitHub - <https://github.com/Sangi19/Nextjs-todo>

Tools: Next.js, Firebase, MaterialUI

It is the implementation of CRUD operation using NextJS. Firebase handles the background job to store and retrieve the data

Instagram App — Clone Project

GitHub - <https://github.com/sangeetha-ram/instagram-react-clone>

Tools: React, Firebase, User Auth

Firebase handles the background job to store and retrieve the Posts with comments

Task Tracker App — TO-DO Project

GitHub - <https://github.com/Sangi19/TO-DO-List>

Tools: React, JSON server.

In React Task Tracker the JSON Server helps in a way to save and serve the Data for this app.

WhatsApp Clone — Web app clone Project

GitHub -

<https://github.com/sangeetha-ram/whatsapp-clone>

The technologies I have used are Google Authentication for login, JavaScript React code in VS Code Editor and Firebase to store and retrieve the data and messages.

Tools: React, Firebase, Google Authentication.

SKILLS

JavaScript,
React,
Next.js,
HTML,
CSS

CERTIFICATIONS
