About Me

To work in an environment which will provide me with a challenging and rewarding career where I can constantly evolve myself both technically and professionally, by aiming towards benefiting my employer and myself.

Experience

Tridhya Tech Limited, Ahmedabad

Java Developer

December 2022 – May 2023

Project

Rapid Grocery Store

"Rapid Grocery – Grocery e-commerce" Usually we need to go to the market or shop to buy grocery, it's money & time-consuming process so we've best solution for that problem which is Rapid Grocery website. From this website customers can buy fresh grocery and also, we provide high quality grocery for our customers. Also, admin can manage whole system with general manager.
