- Gitlab

PROJECT DETAILS

Park Quick

Language used: Node js

Project Description: Parkquik connects thousands of Renters across the country looking for parking with Hosts who have an unused driveway, garage or parking spot to share. It offers an easy-to-use app-based platform that connects vehicle owners with parking lot operators. The app provides real-time information about the availability of parking spaces in the vicinity, allowing vehicle owners to find the most suitable spot for their vehicle quick.
