WORK EXPERIENCE

Native Mobile Intern

Feb 2023 - July 2023

Simform Solutions LLP

As a Native Mobile Intern at Simform Solutions, I contributed to the development of cutting-edge mobile applications while gaining valuable hands-on experience in the field of mobile app development. Collaborated with the development team to design, develop, and maintain native mobile applications for Android and iOS using kotlin and swift language. Assisted in implementing user interfaces based on design guidelines, ensuring a seamless and visually appealing user experience.

Android Developer Intern

CreArt Solutions

2019-2020

As an Android Developer Intern at CreArt Solutions, I actively contributed to the development of innovative and user-centric Android applications. Collaborated with the Android development team to design, implement, and maintain features for Android applications using Kotlin and the Android SDK. Participated in code reviews to ensure adherence to coding standards, maintain code quality, and exchange constructive feedback with team members.

ACHIVEMENTS

Achieved a Dewang Mehta Award for excellence performance in 3rd year Computer Engineering.
