Kamal Nagar, Musakhedi Ring Road, Indore MP 452001

## SUMMARY

Experienced Fron-End Developer with over **5+ years of experience** in **HTML, CSS, JQuery, JavaScript and ReactJS**. I have shown my ability to create and handle scalable, high-performance web applications. I am currently looking for an exciting position where I can utilize my skills and experience to contribute to the company's success significantly.

## EXPERIENCE

### Web Developer

#### Salasar Cyber Solutions Pvt. Ltd.

09/2022 Indore

- Skilled in ReactJS, JavaScript, jQuery, HTML5, CSS3, and Bootstrap.
- Developed interactive dashboards in ReactJS, integrating with REST APIs for real-time data.
- Converted designs from PHD, XD, and Figma to HTML and ReactJS.
- Utilized ReactJS elements like props, state, hooks, and functional components to develop dynamic web applications.
- Prioritized the creation of reusable components in ReactJS for consistency and efficiency.
- Delivered responsive web designs ensuring cross-device compatibility.
- Managed a team of developers, providing guidance and ensuring task completion.

### Web Developer

#### EWeb World

05/2021 - 08/2022 Indore

- Expertise in ReactJS, jQuery, JavaScript, HTML, CSS, HTML5, CSS3, Bootstrap, WordPress, Shopify, WooCommerce, and Shopify Plus.
- Successfully transformed designs from PHD, Figma, and XD to HTML, WordPress, and Shopify.
- Conceptualized and built custom products and collection pages tailored to business needs.
- Designed custom post types using plugins for added website functionality.
- Ensured web designs were responsive, utilizing Bootstrap and custom methodologies.
- Supervised a team of developers, ensuring seamless communication and on-time project execution.

### Web Designer

#### Discover WebTech Private Limited

09/2018 - 05/2021 Indore

- Skilled in HTML, CSS, HTML5, CSS3, Bootstrap, WordPress, Shopify, and jQuery.
- Converted PHD designs to HTML, WordPress, and Shopify platforms.
- Developed custom post types to meet specialized content needs.
- Created custom pages using Advanced Custom Fields (ACF) and static elements.
- Customized WordPress themes and plugins for specific project requirements.
- Led a team of web designers, ensuring efficient work distribution and timely project delivery.
- Collaborated closely with the SEO team to optimize web designs for search engine visibility.
